

# An all-in-one portable benefits experience for independent workers

Stride believes everyone should have equal access to benefits, no matter how you work. We've created a full suite of coverage, built just for individuals and employers.

## Workers Toolkit for Independence

### Insurance

#### Necessary and Extra Coverage

Access to essential protections for workers' health, dental, and vision needs plus a path to securing affordable life, accident, and disability insurance

### Tax Tools

#### Expense Tracking and Banking Services

Prepare for tax season with mileage and expense tracking tools, plus trusted partners for managing your finances, income, savings, and investments.

### Everyday Savings

#### Daily Deals & Discounts

With promotions from our marketplace of vendors, find savings on everyday expenses and chances to stretch your money.

### Unbiased Support

#### Customer Support

Our in-house advisors are on standby to provide guidance and point you to resources, if you need it.

94%

engage with Stride without having to speak to a human

73%

of our consumers enroll on a mobile device

91%

of enrollees successfully qualified for premium tax credits

## For Workers: Easy Access and Support

- **Personalized plan recommendations:** considers needs such as preferred doctors and prescriptions
- **Non-commissioned customer support agents:** 90% enroll online without needing help but when they do, our unbiased agents are here to support
- **Hassle-Free Enrollment:** in-app guidance to simplify complex insurance terms, and full experience available in both English and Spanish.
- **Ongoing education:** access to resources to help navigate insurance and tax challenges
